

## APPLY TO EDUCATION POSTING PROCEDURE

The Durham District School Board is working to transition our Educational Services Job Posting and Application Process to the “Apply to Education.com” (ATE) platform. I am sure most of you are aware of this and have received the email from the Durham District School Board.

It has been brought to the Union’s attention that some of our members have concerns with this process. I have had communication with the Durham District School Board regarding a variety of the concerns that our Union Sisters and Brothers have and that our Bargaining team has.

I have given the Durham District School Board suggestions that would help our Union Sisters and Brothers with this process. The Durham District School Board has responded that many of our suggestions were actionable and they would need some additional time to get clarification on logistics.

In the mean time I am asking everyone to take a look at the format and if you have concerns or feel that you might need additional guidance with this process, in the way of training, or if you have suggestions please feel free to contact me at the Union office at [dgibbs@cupe218.ca](mailto:dgibbs@cupe218.ca) .

Yours in Solidarity,
