

CUSTODIAL MAINTENANCE PUBLIC BOARD

Dear Sisters and Brothers

The Bargaining committee and I have been in contact with the High School Chief Custodians collecting information with regards to Out of Building Custodial Coverage.

The inconsistency in the High School out of Building Coverage hours for the school year 2015/2016 was outrageous. With roughly 23 High Schools throughout the Durham District School Board we have found that there was well over 7000 hrs. Out of building Custodial coverage.

I have formulated a graph and chart to present to the Board at our next Labour Management meeting to have discussion and bring forward some solutions to have a consistent and fair Out of Building Coverage process.

We are asking for Custodial staff to keep track of the Out of Building Custodial Coverage by filling out the calendar that is attached on a monthly basis.

At the end of each month please forward, to the CUPE Local 218 office, the calendar sheet so that we can monitor the Out of Building Custodial Coverage.

How we are looking for the Custodial staff to keep track of the Out of Building Custodial Coverage is, for example if an 8 hr. Custodian is sent out of the building on October 5th, 2016 you would write down 8. If an 8 hr. Custodian is sent out of the building on October 5th, 2016 BUT the Board back fills with 4hrs coverage in your school you would write down 4 hrs.

If you would like to keep notes or write something that pertains to Out of Building Custodial Coverage there is plenty space on the back of the Out of Building Custodial Coverage monthly sheet.

Yours in Solidarity
