to do the right thing

Fair Deal Now BBQ + Rally for parents, students, & workers

 Tuesday, April 25

 5:00 p.m.

 I.E. Weldon Secondary School
24 Weldon Rd, Lindsay, ON

Last fall, frontline education workers identified our top priority issues for student success and good jobs that need to be addressed in our next collective agreement with Trillium Lakelands District School Board.

The school board's negotiators must stop their push for contracting out our work and end the delays to their lowest-paid workers receiving our provincially negotiated raise.

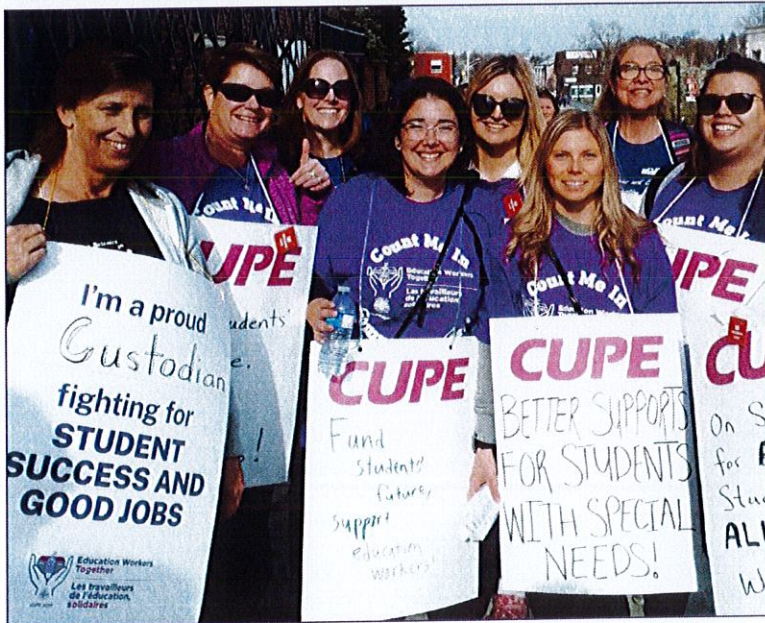

Join us – and bring your kids, friends and neighbours – for the *Fair Deal Now BBQ + Rally* on Tuesday.

RSVP now using the QR code or link below so we can plan to have enough food for everyone.
